# ABOUT GRAPHIC PACKAGING INTERNATIONAL

## Inspired packaging. A world of difference.

Graphic Packaging International is a leading global marketer and manufacturer of paper and plastic single-use packaging for the foodservice industry, partnering with leading brands and distributors in a variety of industries, from quick-service restaurants to hotels. Our paper cups, food containers, plates and accessories are found in foodservice establishments across the country, from one-store locations to large national chains.

We make all of our paper products from trees that come from responsibly managed forests, and our U.S. manufacturing facilities are certified to Sustainable Forestry Initiative® (SFI®), Programme for the Endorsement of Forest Certification (PEFC) and Forest Stewardship Council® (FSC®) Chain-of-Custody standards. Our company is committed to improving our footprint with our end-of-life solutions and through our sustainable products.

Providing exceptional service starts with understanding customer requirements. Our sales, manufacturing and customer service teams are focused on offering quality products and delivering customer orders on-time, in-full and with no errors. Our strong focus on innovation allows us to deliver creative products and supply chain solutions that improve operator efficiency, elevate new menu items, support added service platforms and enhance the overall consumer experience. With a dedicated staff of designers, our Graphics Department integrates technical printing experience with creative ability to resolve some of the most challenging graphics.

Graphic Packaging International is a large, global company that continuously invests in new technologies to help manufacture high-quality materials and products for our customers. Our business is fully integrated, providing security of supply to our customers. With products being produced by a single company, from raw materials to finished product, you can ensure the end product that goes into the hands of your customer is superior quality.

# HOT CUPS

Consumer preferences for hot specialty beverages are growing, and operators are responding with new drinks and upgraded coffee programs to bring traffic to their locations.

Graphic Packaging International supports this growth by offering a full line of paper cups, lids, sleeves and cup carriers. All of our hot cups are made from premium paperboard and are coated on the inside using either polyethylene or PLA lining - a combination that results in high-quality single use packaging for our customers.

### Hot Cup Lids

Graphic Packaging International is pleased to offer a wide assortment of hot cup lids with a variety of functionalities and unique substrates. Our hot cup lids are made from either Polystyrene (PS), Polylactic Acid (PLA) or Polypropylene (PP). This extensive range of lid offerings allows the consumer to have a choice of substrates to either comply with local legislative mandates or to simply have more options to pair with their beverage cup program.

The Hot Cup with a Cool Feel®

Hold&Go® insulated paper hot cups use ThermoShield™ technology that delivers excellent insulating performance, eliminating the need for double cupping or a sleeve. Hold&Go not only provides a comfortable feel for consumers, the cup also benefits operators by reducing SKUs and improving beverage service speed.

## ecotainer®

### Making a Difference – One Cup at a Time.®

An environmentally sensitive product line, ecotainer® uses a plant-based, Ingeo® (PLA) coating that is fully compostable in commercial composting facilities. By using compostable hot cups and lids, we are decreasing our dependence on petrochemicals and reducing the amount of waste being sent to landfills.

- ☞ Made with fully renewable materials
- ☞ Meets ASTM standard for compostability
- ☞ Certified by the Biodegradable Products Institute (BPI®)
- ☞ Compostable in most commercial composting facilities\*

### Individually Wrapped Hot Cups

The individually wrapped cup is designed to eliminate concerns around cleanliness for in-room beverage service. Consumers can feel confident opening the seal, knowing that they will be the first to use that cup. The 10oz size fits under standard in-room coffee machines and is stackable to save counter space. This product is offered in both standard and ecotainer® designs.

## ecotainer®

Making a Difference – One Cup at a Time.®

An environmentally sensitive product line, ecotainer® uses a plant-based, Ingeo® (PLA) coating that is fully compostable in commercial composting facilities. By using compostable cold cups and lids, we are decreasing our dependence on petrochemicals and reducing the amount of waste being sent to landfills.

- ☞ Made with fully renewable materials
- ☞ Meets ASTM standard for compostability
- ☞ Certified by the Biodegradable Products Institute (BPI®)
- ☞ Compostable in most commercial composting facilities\*

## Cold Cup Accessories – Cup Carriers

Cup carriers are ideal for holding up to four beverages at one time. The 2-cell and 4-cell carrier options maximize drink stability with built-in cut-outs that wrap around the side of the cup to hold it in place. The sturdy construction and top handle allow you to hold several cold drinks without much hassle, making on-the-go drink transportation manageable for consumers.

## Scoop Cups and Snack Containers

Our scoop cups and snack containers have a grease resistant barrier to effectively hold food items, such as fries, chicken tenders and hot wings. The scoop cup also has a front cut-out, providing high product visibility for new and staple menu items.

# HOW WILL THE BAN ON POLYSTYRENE AFFECT YOU?

As legislative polystyrene bans sweep across the U.S. at an increasing rate of speed, you may find yourself faced with sourcing alternative products... and quickly! Don't panic. We've got you covered. Graphic Packaging International has a broad line of products that offer a more environmentally friendly solution for areas where legislation is a concern. Just check out all of these options!

## ➤ Ban on foam? We have PE coated cups and food containers.

- 20oz** - SMR-20    **24oz** - SMT-24

### Food Containers

- 3oz** - DFR-3      **4oz** - DFR-4
- 5oz** - DFR-5      **6oz** - DFR-6
- 8oz** - DFR-8      **10oz** - DFR-10
- 12oz** - DFR-12    **16oz** - DFT-16 & DFS-16
- 24oz** - DFR-24    **32oz** - DFR-32

### Cold Cups

- 5oz** - DMR-5      **7oz** - DMR-7
- 9oz** - DMR-9      **12oz** - DMM-12 & DMS-12
- 16oz** - DMR-16    **18oz** - DMR-18
- 20oz** - DMT-20    **22oz** - DMR-22
- 24oz** - DMT-24    **32oz** - DMR-32
- 44oz** - DMT-44

## ➤ Ban on polystyrene lids? We have polypropylene and PETE lids.

### PP Hot Cup Lids

- LHRDP-8 lid fits **8oz** - SMR-8
- LHRDP-16 lid fits **10oz** - SMM-10, **12oz** - SMR-12, **16oz** - SMR-16, **20oz** - SMR-20, **24oz** - SMT-24

### PP Food Container Lids

- LFRFHP-12 lid fits **12oz** - DFR-12
- LFTFHP-16 and LFTDHP-16 lids fit **6oz** - DFR-6, **8oz** - DFR-8, **10oz** - DFR-10, **16oz** - DFT-16
- LFRFHP-32 lid fits **16oz** - DFS-16, **24oz** - DFR-24, **32oz** - DFR-32

### PETE Cold Cup Lids

- LCRSA-22 lid fits **12oz** - DMS-12, **16oz** - DMR-16, **18oz** - DMR-18, **20oz** - DMT-20, **22oz** - DMR-22, **24oz** - DMT-24
- LCRSA-32 lid fits **32oz** - DMR-32

### PETE Dome Cold Cup Lids

#### (Small and Large Opening)

- LCRDO-22 and LCRO-22 lids fit **12oz** - DMS-12, **16oz** - DMR-16, **18oz** - DMR-18, **20oz** - DMT-20, **22oz** - DMR-22, **24oz** - DMT-24
- LCRDO-32 and LCRO-32 lids fit **32oz** - DMR-32

### PETE Food Container Lids

- LFRFA-3 lid fits **3oz** - DFR-3
- LFRFA-4 lid fits **4oz** - DFR-4
- LFRFA-5 lid fits **5oz** - DFR-5
- LFTFA-16 lid fits **6oz** - DFR-6, **8oz** - DFR-8, **10oz** - DFR-10, **16oz** - DFT-16
- LFRFA-32 lid fits **16oz** - DFS-16, **24oz** - DFR-24, **32oz** - DFR-32

### PETE Dome Food Container Lids

- LFRD-3 lid fits **3oz** - DFR-3
- LFRD-5 lid fits **5oz** - DFR-5
- LFRD-10 lid fits **6oz** - DFR-6, **8oz** - DFR-8, **10oz** - DFR-10, **16oz** - DFT-16
- LFRD-12 lid fits **12oz** - DFR-12
- LFRD-32 lid fits **16oz** - DFS-16, **24oz** - DFR-24, **32oz** - DFR-32

➤ **Need compostable? We have PLA coated ecotainer® cups, food containers and lids.**
